

Supermarket shopping game

Instructions

The Supermarket shopping game is designed for 4 players. Follow these instructions to prepare and play.

Preparation

1. Print 2 copies of the sheet with the shopping baskets and cut them out.
2. Print 1 copy of the sheet with the generic supermarket items and cut them out.
3. From your chosen language, print 1 copy of the sheet with the shopping lists and cut them out.
4. From your chosen language, print 1 copy of the Instructions page and cut out the cultural items cards.

Playing

1. Each player takes a basket and shopping list.
2. Randomly place all 24 cards upside down on the table in even rows.
3. The first child turns over a card and says the name of the item in the chosen language.
4. If the card matches an item on their shopping list, the child places it in their basket.
5. If the card does not match an item on the child's shopping list, they turn the card face down again.
6. Now, it is the next child's turn. They may choose to turn over the same card if it matches an item on their shopping list. If not, they may turn over a new card.
7. The game continues until one child has filled their basket, or until all the cards have been placed in all the baskets.
