

Things I can do in Turkish

App 5: The Polyglots at the Circus

Here are some of the things I have discovered in App 5: *The Polyglots at the Circus*:

I can name some body parts in Turkish. For example:

		Doing sometimes with assistance	Beginning to do independently	Regularly doing confidently
Baş	Head			
Kol	Arm			
Bacak	Leg			
Ayak	Foot			

I can say some parts of the face in Turkish. For example:

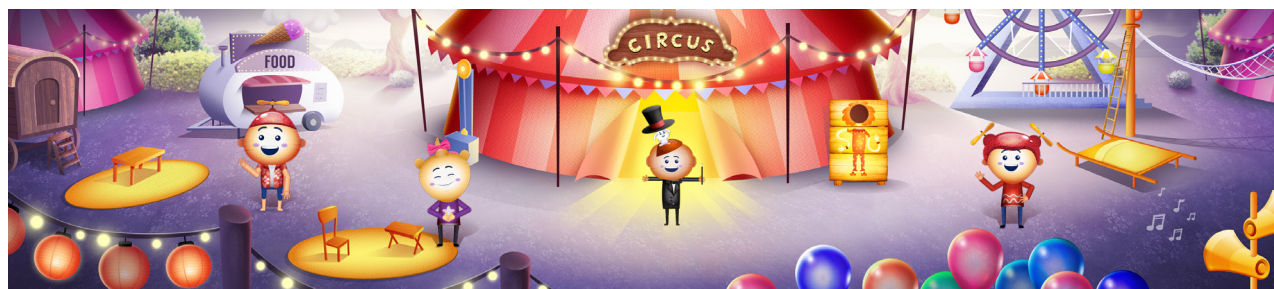

Göz	Eye			
Kulak	Ear			
Ağız	Mouth			
Burun	Nose			

I can say something hurts in Turkish. For example:

Başım ağrıyor!	My head hurts!			
----------------	----------------	--	--	--

I can use some adjectives in Turkish. For example:

Büyük	Big			
Küçük	Small
